WSC reps will be responsible for the bins and collection sheets from each form, each day

They will follow their year group around following which zone they are in

Personal Development

The role of Form Reps

Form reps will be given the Collection booklet/Tally sheet and will be required to fill this in each day as the bin collection takes place

Tutors will need to assist where required

WSC will keep the booklets in a plastic wallet and distribute/collect them at the start and end of each line up to support the monitoring of participation

Personal Development

To ensure a smooth collection of data (the number of items donated by each form), at the end of each week, form reps and tutors will be asked to fill in a TEAMS spreadsheet, completing information on how much their class donated throughout the week

Data will be shared with various stakeholders (social media/charity/community)

Any questions or concerns need to be raised so everyone is clear on their role for an effective appeal to take place
