WHAT IS COMMITMENT

Mr Adam

Principal

Over my teaching career I realised that the most important attribute needed to be successful is commitment and doing what it takes for as long as it takes and that is why this is the central pillar of our school!

We have seen that the students that achieve the best results are not because of their intellect but because of their work ethic. Therefore, at Crown Hills, we are very particular about the basics such being well dressed, punctual and doing things first time, every time!

This is a place of learning and students need to be prepared for the world of work. We have a back-to-basics philosophy with a focus on the little things so that the bigger things can take care of themselves. We support and challenge your child throughout their five years with us so that they are relentless in the pursuit of success.

Having your child attend Crown Hills is an honour and privilege we take very seriously.

#SUCCESS CRITERIA

In order for a student to be invited to the #Success day and the #Success meal your child has fulfilled the following criteria:

- Average commitment score of 3.2 or above
- 96% Attendance
- 0 on calls, seclusion's or suspensions

If they achieve the above across the course of the academic year they are invited to #Success day where they enjoy a BBQ, a variety of bouncy castles and ice cream. They are also invited to attend the #Success meals with their family and friends. Where they will enjoy a 3 course meal and be presented with their award.

We hope that this strict criteria encourages students to work hard year after year. Congratulations to everyone who has made it this year, we hope to see you again next year!
